

## Wind Farm Investigation Feedback Form

We are investigating the development of a wind farm several kilometres north of Wollomombi and we want to, where possible, include your views into our plans.

To provide input, please answer the following questions and return the form to us. Specific responses will not be linked to you and your name will not be made public. You do not, however, have to give us your name.

**1. How far to do you live, or own property, from the area Epuron have identified as a potential wind resource?**

- 0 – 5 km       More than 5 km       More than 20 km

**2. What do you value and appreciate most about this community and the area?**

.....  
.....  
.....  
.....

**3. What is the primary purpose of the property you own or occupy in the area?** (Tick as many as appropriate)

- Farm       Primary residence       Business (other than farming)
- Temporary residence linked to my current work       Second residence / weekender
- Other .....

**4. What concerns, if any, do you have about a wind farm in the area?**

- No concerns       Noise       Visual       Traffic
- Impact on recreation       Impact on tourism       Impact on flora/fauna
- Other .....
- .....  
.....  
.....  
.....

5. Do you believe that a wind farm would have a positive, negative, or neutral impact on the area and why?

- Positive                       Negative                       Neutral

Why?.....  
.....  
.....  
.....  
.....

6. The NSW state government requires wind farms to provide funds for the community. Do you have any suggestions on the type of activities that a 'Wind Farm Community Enhancement Fund' might contribute to?

- Economic development     Sporting/Recreation     Education scholarships     Water supply
- Heritage / Environmental projects               Support for local services (e.g. fire trailer/truck)
- Other .....

.....

7. Do you have any other feedback, comments or suggestions?

.....  
.....  
.....  
.....

If you would like to be kept informed about the project, please provide us with your contact details so that we can periodically send you updates.

Preferred method of contact:

- Post                                       Email                                       Phone

Name: .....

Postal Address: .....

Email: .....

Phone: .....

Please put the completed form in the box or hand it to a wind farm representative. If you would like to fill the form out at home it can be accessed online at [epuron.com.au/wind/doughboy](http://epuron.com.au/wind/doughboy) and sent by email to [info@epuron.com.au](mailto:info@epuron.com.au) or by post to 11/75 Miller St, North Sydney, NSW, 2060.
