

## Bowmans Creek Community Feedback Form

November 2019

---

Your feedback and views about the project are important to us and will help us identify key local community issues and shape the project. We would be pleased if you could spare a few minutes to answer the following questions and return the form to us. Thank you for your participation and contribution to the project.

How this information will be used: Your responses will form part of the information gathering process carried out in accordance with the NSW Dept. of Planning Guidelines. Specific responses or respondent details will not be shared publicly and do not commit the respondent into a position regarding the project. The survey can be completed anonymously if preferred.
